Governor Signs Highway Bill To Aid Sierra Route

Matching Fund is Required From Government For Road

SACRAMENTO —(CNS)— Governor Earl Warren has signed the bill putting up $20,000,000 for construction of a modern highway across the Sierra Nevada between San Francisco and the Nevada state line.

Under the provisions of the bill, the federal government must appropriate a like amount for construction of the highway, the route of which would be chosen by the California highway commission with the advice of federal authorities as to military necessities.

The bill designates the proposed highway as Route 234, which may include all or any portions of exisitng state highways.

The appropriation would be allocated by the commission at the rate of $4,000,000 a year for the next five years, if the federal government decides to participate. The state's share of the money would come from road construction funds for northern California counties.

State Senator Harold T. Johnson of Roseville was the author of the bill.

Meanwhile, U. S. Senator Thomas H. Kuchel has sent a telegram to D. J. Dobbas, president of the Placer County chamber of commerce, stating he will do whatever he can to assist in obtaining federal aid for the trans-Sierra military highway. He has conferred with Senator Johnson, who has agreed to help Kuchel by supplying copies of the bill and other materials.

SUMMIT ROBBER PLEADS GUILTY IN HIGH COURT

Ralph East, 22, pleaded guilty in superior court Tuesday to burglary and will be sentenced at two p.m. July 17.

He was captured at Norden after emerging from the Sierra Club lodge the night of June 10. He was accused of a burglary in that building and also one the night before at the home of Wilbur E. Riley at Kingvale. He was returned to the county jail to await sentencing.

DONNER LAKE RACES SUNDAY

A major sporting event this weekend will be the speedboat races near Donner Lake Lodge at the west end of the lake Sunday. The races will begin at 10 a.m. on July 12, according to Jean McCarty, manager of resort.

A big barbecue will be served in conjunction with the races. Serving is slated to start at 4:30 in the afternoon.

PROGRAM HELD BY LOCAL ROTARIANS

The Rotary Club will hold its next regular meeting at Donner Lake Lodge Monday night.

Last Monday night's meeting was transferred to Donner Lake due to the illness of Earl Brown, which caused the closing of Brown's Cafe that night.

An informal program consisted of a report of the district assembly held in Auburn by Johnnie Richards and Orval Vaughan. An appeal was made in behalf of the Catholic Parish for their benefit to be held at Cal-Vada, Cal-Neva and the North Shore Club next Sunday night. Also, the club voted to support the 20-30 Club's project of proposing to the department of fish and game the closing of Trout Creek to adult fishing.

Visiting Rotarians were E. LePire, Brockway; Marshall Ruhkala and Charles Cross Jr., Tahoe City; Windy Christian and Virgil S. Hollis, Loyalton; Charles Black of Lodi and Bard Daughters, Salinas. Guests included Lavon Bebb, San Francisco, and Larry Rowton, Palo Alto.

TRUCKEE BANK TO CLOSE SATURDAYS

Truckee branch of Bank of America will be closed on Saturdays beginning July 11, it was announced today by Manager Robert Saunders.

All banks in California will be closed Saturdays as a result of recently enacted California law, it was pointed out. Excepting such legal bank holidays as will be announced from time to time, Bank of America branches will be open every week day other than Saturday throughout the year.

Schedule of hours for Truckee branch will remain the same as at present, Monday through Friday, it was stated.

Burglar Routed Twice In Night At Local Cafe

An attempted burglary at Eaton's Bungalow Cafe on West Main Street was thwarted twice Friday night—the first time by the manager, Harry Eaton, and a short time later by Eaton and Deputy Sheriff Roy Waters.

Eaton, alone in the establishment after it had been closed for the night, was startled to see a face peering at his from a rear window. He rushed outside to question the culprit and the latter took to his heels. Eaton fired one shot in the direction of the suspect but this only speeded the latter's flight.

A few minutes later Eaton came into town and informed Waters of the experience. The two then went to the cafe to see that all was well and as they pulled up in their individual cars, the figure of a man was seen to dash from the rear of the small building and run toward the Truckee River. Eaton fired four times in the direction of the fleeing figure which disappeared over the railroad embankment.

A survey of the Bungalow revealed that while Eaton was looking for Waters, the burglar had reappeared, broken through a rear window and was in the act of looting the place when Eaton returned with Waters. A check revealed nothing missing except the burglar, Waters said.

HUNDREDS ATTEND FIREWORKS SHOW AT DONNER LAKE

The beach at the west end of Donner Lake was crowded by spectators Saturday night when the fireworks display was presented by the Truckee Chamber of Commerce and Mrs. Gladys Pedley of Soda Springs was presented with a trophy by the 20-30 Club following her selection as the outstanding contributor to community service during the past year.

The presentation was made by Harvey Hocker, past district governor of 20-30, immediately preceding the fireworks display which was handled by Earl Stice, Rex Reid, Oscar Quam and Howard Newsham.

The display was bigger and the crowd larger than last year and the program was carried out with dispatch, reflecting credit upon the sponsors.

The refreshment booths were under the direction of the 20-30 club and were kept busy throughout the evening.

SECOND FIRE IN AREA REPORTED

The Truckee ranger station of the Tahoe National Forest this week reported the second forest fire of the 1953 season.

The incipient blaze, believed to have started from a carelessly tossed cigarette, burned over a small area 50 by 50 feet on Dollar Hill half a mile north of the highway last Wednesday afternoon.

The suppression crew from the Tahoe Camp, aided by Al Henry's truck at Tahoe City, soon had the blaze under control.

TRASK IS SPEAKER AT LIONS MEETING

Edward Trask and his son, Don, who with Mrs. Trask spent more than three years in Greece as officials for the United States, gave an illustrated talk on their experiences at a meeting of the Lions Club at Donner Lake Lodge last night. Trask's talk was interesting and entertaining and many of the pictures were exclusive, shedding a new light on conditions in the area they visited. Earl Stice was program chairman and C. R. Heller presided.

Guests included Ernie Rushery and Bernard White of Sacramento, Phil Lees of Hollywood, Bill Rossi of Chico, John Wardman and John Rau of Truckee.

FLY TO FIRE

Dean Vinson of Truckee and Sherman Reams of Big Bend were among nine Tahoe Forest personnel flown to southern California last Friday to help battle a 40,000 acres fire on the eastern side of the Angeles National Forest in which eight homes were destroyed.

Weekend Travel Sets Record As Mishaps Lacking

White Flag Here Continues To Indicate No Mishaps

Despite a record breaking volume of travel through this area during the Independence Day weekend, no traffic accidents were reported by the California Highway Patrol for the two days.

However, Albert H. Couture, an employee of Cal-Neva Lodge at Crystal Bay, Lake Tahoe, was seriously injured when the new station wagon he was driving a mile south of Truckee on the Brockway Cut-off got out of control and overturned at 8 p.m. July 2. Couture was driving toward Truckee and said he was blinded by the sun just before the mishap.

The driver, alone in the vehicle, was treated for a fractured pelvis and shock by Dr. George Hahn at Tahoe Forest Hospital. Patrolman Martin Sturcke made the investigation. Couture was taken to the hospital by Truckee ambulance.

Aside from the one accident this area was without serious mishap local officers reported.

BASEBALL GAME WITH VERDI WILL BE HERE SUNDAY

Truckee's baseball team — with a 1 win, 2 loss record this season — will be out to make it "2 and 2" next Sunday, July 12, at 2:30 p.m. on the local ball park. Manager John Rau does not expect an easy time of it, having drawn as the visiting team a rejuvenated and organized Verdi aggregation.

There has been a traditional rivalry between the across the border neighbors and a good crowd is expected out to witness a good game.

HOWARD GUTH IS NEW PREXY OF TAHOE ROTARY

TAHOE CITY— Howard Guth, incoming president of the Rotary Club of Tahoe City, was presented with the gavel at the Tuesday luncheon meeting in Tahoe Inn by Steve Lombard of North Sacramento, past governor of district 164. The presentation was in behalf of Ed Witter of Sacramento, present district governor.

Lombard also spoke before the 64 members and visiting Rotarians, describing the meaning of the Rotary wheel. Denis Sach, outgoing president, was complimented on the accomplishments of the club during the past year. (ejv)

TAHOMA MAN IS MALL SAW AGENT

TAHOMA— Robert J. Wray, local tree surgeon and woodsman, announces that he has been awarded the direct factory dealership for the Mall chain saws and power tools in this area.

Wray said he will stock equipment and parts and conduct a complete service for the widely known products. He said the franchise was granted after several months of negotiating but that he is now prepared to provide almost unlimited sales and services.

LADY OF LAKE CHURCH SCENE OF MARRIAGE

KINGS BEACH— Our Lady of the Lake Catholic Church here was the scene of a wedding ceremony Sunday which united Albert Caraboolad and Miss Joanne Abdou. Father P. J. O'Niell officiated at the impressive rites.

Caraboolad is the son of Mr. and Mrs. Abraham Caraboolad and the bride is the daughter of Mr. and Mrs. Abdou M. Abdou, all summer residents of this region.

The matron of honor was Mrs. Sallie Anderson of Phoenix, Arizona, while the best man was Fred Caraboolad of Brooklyn, N. Y.

Immediately following the service, a reception, attended by more than 150 invited guests, was held at Cal-Vada Lodge, Crystal Bay.

Sun Beams

by WALTER BARRETT

All sportsmen will agree that the aim of the 20-30 Club in having Trout Creek reserved for fishing by children only is worthy of support. As time goes on fishing in the immediate area does not seem to improve and youngsters are hard pressed to find locations where they can enjoy the sport with any degree of success. Adults, of course, can seek out many fine fishing streams and lakes throughout the region by driving or hiking. The usual low water in Trout Creek makes it comparably safe and with some basis planting it seems an ideal program for the youngsters of the community.

The fact that no major vehicle accidents occurred in this area over the weekend of the Fourth reflects not only the care exercised by the thousands of drivers who frequented the highways but also the vigilance of the squad of patrolmen who worked night and day to keep traffic flowing under lawful conditions. If this same care and vigilance could be practiced every day of the year there would be far fewer mishaps on the highways. Let's keep the Wyethia Club's white flag flying.

Lack of a full time division of drivers license and department of motor vehicles clerk in this area is creating a bit of a hardship for local vehicle owners. It is difficult for everyone to transact business required in maintaining a vehicle under state requirements during the one day a week when a clerk is available, and we feel that the area is well enough developed and supplies sufficient revenue to justify a full time clerk. The highway patrol maintains a permanent clerk for matters concerning that particular organization but only on Mondays is it possible to obtain a driver's license, register a vehicle or handle other required matters. More thought, we believe, should be given this important issue.

ASSESSMENTS AT FLORISTON ARE CUT BY BOARD

NEVADA CITY— The Nevada County board of supervisors voted to use 1951-52 property valuations in assessing real estate and improvements at Floriston for the fiscal year 1953-54.

This "break" for the Floriston property owners was agreed to because of a promise made by the board of supervisors last year. At that time the Floriston people had put up half the cost of a new bridge across the Truckee River to their town site so the county could apply to the state for an additional matching sum. Their previous bridge had been washed away and they asked speedy construction by the county of a new one.

The value of their properties for tax purposes would depend to some extent on whether or not they would be served by a bridge.

The supervisors assured them that if the new bridge were not built soon after July 1, 1952, they would receive a reduction in assessments for one year; meantime they were to pay taxes under the new, increased assessment.

A delegation, headed by Mrs. Clara Felesina, treasurer of the Floriston Property Owners Association, and Preston L. Wright reminded the supervisors of that promise. They said the bridge had not been completed until May this year. The board then voted the assessment reduction back to the former standard for one year, after which the valuations will go up again.

JUDGE'S SALARY IS GIVEN BOOST

SACRAMENTO —(C. N. S.)— Governor Earl Warren has sign-AB141 by Assemblyman Francis Lindsay of Loomis increasing the salary of the Nevada County superior court judge from $10,450 to $11,527 annually.

SIERRA SUN ADS PAY!

Former Truckee Nurse Killed In Train Accident

Details of Accident Are Not Contained In Brief Wire

A telegram from Lewis R. Barnes at Coeur D'Alene, Idaho, this week announced to local friends that his wife, Mrs. Violet Catherine Barnes, 27, was killed "by a train" at that northern Idaho city on July 3. The message to the staff at the Tahoe Forest Hospital where both Mr. and Mrs. Barnes were formerly employed, gave no details.

The family left here early in May for Salem, Oregon, to accept positions there, after being at the local hospital since September 4, 1952. There Mrs. Barnes was employed as a nurse and he was in charge of the office work.

Funeral services were held yesterday at Coeur D'Alene, the wire indicated, and it was presumed the body was being taken to Beach, North Dakota, Mrs. Barnes' home, for interment, although this detail was not immediately learned.

Mrs. Barnes was the mother of two small children and according to friends here was expecting another when the tragedy occurred.

The brief telegram did not indicate whether Mrs. Barnes was alone at the time of the accident or whether or not she was killed in a car-train collision or otherwise.

OLD TIMERS WILL STRUT AT MEET OF LOCAL CLUB

Old Timers Night will be held at the July 17 meeting of the Wyethia Club when members have been asked to wear clothes of past years and authentic styles of early days in Truckee will be seen. A chuck wagon dinner will start the evening at 6:30, reservations may be made at Cabona's store or with Mrs. Carroll Maynard before July 15.

Early days of Truckee will be discussed and old time dances will follow the dinner. Charter members of the club will be asked to sign the record chart on the wall.

THIMBLE CLUB RESUMES MEETS

Meetings of the Thimble Club were resumed for the summer on July 2 when the group met at the home of Mrs. Anton Mayer. A pot luck supper preceded the business meeting when it was decided to assist the Sunshine Girls with the expenses of their drill dresses and other lodge needs as their project.

Refreshments were served by the hostess at the close of the evening.

New members will be welcomed at the meeting. Mrs. Charles Heller will be hostess to the club at 7:30 on Thursday evening, August 20.

STEVE BESIO IS FETED AT RECORD

Festivities of the 4th combined with the 7th birthdate of Steven, son of Mr. and Mrs. Angelo Besio were enjoyed at a family party. Mr. and Mrs. Clair Goode and children, Denny and Linda, of Woodland were guests of the Besios.

TWO BABIES AT LOCAL HOSPITAL

Two babies were born at Tahoe Forest Hospital during the past week, Dr. George Hahn reports.

Mr. and Mrs. Kenneth Morgan are the parents of John Edward, born at the hospital July 3. The infant weighed six pounds, ten ounces and both mother and John Edward are reported doing well.

On July 4th at 4 a.m. a baby girl arrived for Mr. and Mrs. Raymond Finigan of Kings Beach. She weighed six pounds, 12 ounces but her name was not immediately learned.

On Ranch—

The W. M. Cavitt family has come from Loomis to spend the summer at their local ranch.

More Storage For Water Proposed In Local District

The new 100,000-gallon redwood tank recently purchased by the Truckee Public Utility District to supplement the present storage capacity for water to serve this growing community arrived yesterday and is being erected on the hill northwest of town. At the same time, C. Edmunds, manager of the district, said a survey is being conducted for the purpose of locating another tank of the same size in the area back of Truckee Resort.

This latter tank is being proposed to supply water to the district in the vicinity of the high school and will, if completed, eventually tie in with the rest of the system.

Having purchased the facilities of the Truckee Water System, the district contemplates improvements of that service through installation of a storage tank south of the Truckee River near the source of the supply.

Edmunds said that while the current water supply is adequate for any immediate need, the directors are taking a long range view of the potentialities with an aim for keeping ahead of future requirements. The district now controls most of the major sources of supply for domestic water and through a program of providing adequate storage facilities proposes to provide for any future demand for both household use and fire protection.

"MISSING" CAMPER IS LOCATED BY TRUCKEE OFFICERS

The mystery of the missing camper was quickly solved yesterday by Deputy Sheriff Roy Waters.

Waters and Constable N. F. Dolley were called to investigate an abandoned camp near Boca yesterday. They found a tent, bedding, groceries and fishing equipment piled at the old CCC camp ground and learned that it had been abandoned for ten days or two weeks.

Through a medical prescription found among the belongings, Waters called the prescribing doctor in San Francisco and obtained the address of the patient. A second call located Clint McKinnen, 38, San Francisco, who informed the local officer he had been employed on a nearby construction job until two weeks ago when he returned to the bay area, leaving his camping equipment here.

COUPLE MARRIED AT TAHOE CHURCH

TAHOE CITY— Miss Jane Frances Ward became the bride of Maury Allan Koblik at a ceremony performed at the Corpus Christi Church at Tahoe City June 29 by Father Ronan Brennan of Truckee.

The bride is a daughter of Mr. and Mrs. William F. Ward of San Rafael and Mr. and Mrs. Louis Koblik of San Francisco are parents of the bridegroom.

PASTOR SELECTS SERMON THEME

"Carlessness is Communistic" will be the theme of the worship service at the Truckee Community Methodist Church next Sunday morning at 9:30 a.m., according to Rev. Sidney C. Winston, pastor. Church school will follow the preaching service, beginning at 10:45 a.m.

Saturday night is "Youth Night" at the local church. At 7:30 next Saturday evening, the movie "45 Tioga Street" will be shown as a feature of the program. Everyone is welcome to attend.

FROM UKIAH

Mrs. Matilda Fox of Ukiah is visiting local friends and enjoying childhood scenes this week. She is a member of the well known early days Von Fleu family and was later married to John Pasinetti. The house belonging to Mr. and Mrs. Jack Wolert which burned last winter was also the former home of Mrs. Fox.

Mrs. Norma Highfill, who spent several months at Montebello, has returned here.

Grand Jury Has Suggestions For Helping County

County and State Officials Criticized In Report

There were few departments of the county government which did not come in for criticism in the report of the Nevada County Grand Jury which filed its final report to Superior Judge James Snell last Friday and was discharged. Many recommendations were made as the jury—one of the most active in recent years—concluded its work.

Among the many recommendations were the following:

1. A "properly indexed budget and that it be so simplified that the taxpayers may understand the appropriations and expenditures."

2. A "further study and review of all admittances to the county hospital."

Fewer Phone Calls

3. "Less use of the telephone and more use of the mail in the interest of economy."

4. Changes in the law to permit publicity as to recipients of welfare aid and the amount they receive.

5. Laws to provide for complete revocation of licenses of those selling liquor to minors.

6. That no purchases for the county be made except through the purchasing agent.

7. That continued changes be made in the operation of the highways to conform to the spirit and the letter of the Collier-Burns Act.

One of the most emphatic criticisms in the report was directed against Francis C. Lindsay, state assemblyman from this district.

"Servant Not Master"

"We condemn in the strongest manner possible the un-American way in which the Honorable Francis C. Lindsay continues to misrepresent Nevada County in the state legislature," the report reads. "He has willfully failed to take any action whatsoever on each and every official recommendation and communication made to him by this Grand Jury. Not only this, but in addition thereto he had willfully and discourteously failed to even acknowledge receipt of any and all official recommendations and communications made to or sent to him by this Grand Jury. We remind Mr. Lindsay that he is not our master but our servant.

The report indicated that an investigation of the administration of the Tahoe Forest Hospital had been started and that the matter has been referred to the Placer County Grand Jury "because Placer County helps tax-wise to support this hospital and have arranged with them to appoint a committee to work with the next Grand Jury in completing this investigation."

Audit Underway

At this time the directors of the hospital are having the books audited by an Oakland firm well versed in hospital work and a complete report on the findings will soon be made public. A report by these auditors will be forwarded to the Grand Jury as soon as completed.

The report went into the affairs of the Veterans Memorial Building at Truckee where conditions were described as fair, although the income is only $10 a month. The location of the building was blamed for this lack of revenue.

The Truckee jail was visited by members of the Grand Jury, the report recites, and it was found clean and in good condition.

Although the jurors strongly criticized the cooperation received from the district attorney early in the activities of that group, the report said he later offered excellent cooperation.

The report said conditions at the county jail and hospital were found good.

Supervisors Rapped

The board of supervisors came in for considerable criticism and a number of recommendations were offered.

Among them the establishment of a central garage and work shop in the western end of the county with a competent mechanic in charge; consideration of putting the county on a competitive cash basis on the purchase of road equipment, instead of the costly lend-lease method now employed; pooling of all county equipment and various pieces moved about the county as needed; the active functioning of a planning commission to the end that no roads be laid out in state-accepted subdivisions that are not acceptable under county standards.

The report was signed by Orlo P. Steele, foreman.

OBSERVE ANNIVERSARY

Mr. and Mrs. Erman Hintz Monday observed their second wedding anniversary. They celebrated the occasion during the weekend with a family dinner and taking in the fireworks at Donner Lake.

NORTH TAHOE

by THELMA BURROUGHS

A few citizens have gotten together since the defeat of the proposed fire control district by the board of supervisors in an attempt to save the fire truck by promoting another dinner. Joby Lewis of Cal-Vada Lodge has given a number of dinners in support of civic projects and he comes through again with a dinner to meet the fire truck payment. Tickets are being sold at five dollars each, entire proceeds to go to meet the now past-due payment on our lone little truck, which in itself neither reduces insurance rates nor offers adequate protection. It is a good start toward the goal of an official public fire protection district. A district is the logical answer, with the costs distributed among all protected property owners. Since the rejection of the district plan, the little truck has been called upon to answer general fire calls. At one o'clock one recent morning those blasts from the fire horn sounded across the ether. There was a car burning up in the golf course area. Within the week there was a fire at the Ballard Boat House at Carnelian Bay and one at Sierra Lodge on Crystal Bay Hill. This will be published too late to remind you of the dinner which Joby Lewis served on July 8 for the purpose of saving the fire truck. It is a fine gesture on his part. At the same time it should bring home to every one the unfairness of this method of support.

The new pastor of the Wee Kirk o' the Pines dropped by last Tuesday evening to acquaint us with his plan for visiting members, neighbors and friends of the church in this area, distributing a sermon and exercising his pastoral duties. Rev. Sidney Winston has his residence in Truckee with his wife, Alvena, and their daughters, Vera Mona, 5, and Susan, 8. Like most newcomers, the Winstons like our lake region very much.

Rev. Winston will conduct worship service at the Wee Kirk o' the Pines (Community Methodist) at 11 a.m. next Sunday morning with church school convening at 10 a.m. every Sunday. Monday night is "Youth Night" at the church. At 7:00 next Monday evening the movie "45 Tioga Street" will be shown as a feature of the program and everyone is welcome to attend.

The new officers took over at the Brockway Rotary Club last Monday for their first meeting. Dr. Hillard Holmes, Kings Beach dentist, is now president and Ace Abbott is vice president. Superintendent E. V. O'Rourke of the Tahoe-Truckee Unified School District District was speaker for the meeting.

We are glad to have with us this week our daughter-in-law, Dudie Burroughs, with our two granddaughters, Sheridan, 8, and Melissa, aged one.

Breakin of his store at Kings Beach was reported to the Placer County sheriff's office by LeRoy Porath. He reported $750 in bills were taken from a drawer but the burglar did not attempt to open the cash register and left several rolls of coins in an adjoining drawer.

Mr. and Mrs. Fred Barton and their two-weeks-old daughter, Barbara Rose came from Santa Barbara to their place at Brockway during the past week. The baby, born in the southern city June 22, weighed 7 pounds 3½ ounces at birth. Mrs. Barton is a former supervisor of nurses at a San Francisco hospital.

H. O. Comstock, who has been charged by Placer County with obstructing Birch Street near Brockway, won the first round in the superior court at Auburn when Judge Ralph McGee of Amador County, presiding instead of Judge Lowell Sparks, sustained Comstock's demurrer to the complaint on grounds that evidence showed the obstructions no longer exist and were removed by the road commissioner. The county was given 15 days to amend the complaint. Comstock tried unsuccessfully last month to have Birch Street abandoned, claiming it is not a county road.

CROWDS THRONG TO FIREWORKS ON GLORIOUS FOURTH

TAHOE CITY— The greatest crowd seen here at any one time in the history of Tahoe City packed the town and every public place in it on the evening of the 4th of July. Officers in charge of traffic for the evening estimated the number of parked cars at close to 600 at the beginning of the fireworks display. The number of spectators was estimated between 1700 and 2,000. Cars—parked closelyETAIN 2.000. Closely parked cars completely covered the commons three and four deep and two deep horizonal all along main street.

Scores of boats of every type, with night lights shining, drifted on the lake just off the Tahoe City shoreline. Many other lights twinkled in the watery distance. The boat whistles and sirens mingled in applause with hundreds of blaring auto horns when the spectacular fireworks began to light the night sky.

A highlight of the evening was a speedboat flashing in from south shore waters, headlights blazing and siren screaming. Behind it came two tall apires of flame skimming over the water. For about 15 minutes they traveled between the drifting boats, toward shore and out again, in graceful maneuvers. Then they sped back into the darkness along the shore. This striking spectacle was Bud Scott's speedster "Apache," driven by Captain Carson and towing two waters skiers, Bill Briner and Jim Brehler of Sunnyside, bearing phosphorescent flares.

The spendid fireworks display, staged by the Tahoe City Volunteer Fire Department, is said to have cost $400 or more. Bill Bechdolt was general chairman. The public address system was furnished and operated by Al Fanger. Tahoe City's outdoor Christmas tree was fully lighted for the occasion. The exterior lights of many local business houses added to the brilliance of the evening. (ejv)

JUDGE COLLECTS $800 FROM DRUNK DRIVERS MONDAY

KINGS BEACH— Two men appeared in the Tahoe Judicial District Court Monday on charges of drunk driving.

Charles Barnett of Miami, Fla., arrested at Kings Beach, was fined $300 by Judge Harry Charrison.

Wilbert Lee Meyers, Rio Vista, arrested on Highway 89, was fined $500, placed on probation for a year and had his driver's license suspended for 12 months. Meyers had been previously convicted on a similar charge.

Barnett was cited by State Highway Patrolman T. F. Sheehan and Meyers by Patrolman C. B. Maynard. (hc)

W. A. SIMMONDS IS FETED AT PARTY

TAHOE CITY— On July 1 a surprise birthday party was given for W. A. Simmonds in his home on River Road Avenue here. He observed his 89th birthdate that day. Hostesses for the party, who were assisted by Mrs. Ida Simmonds, were Mesdames Anne Anderson, Ruth Mayfield and Evelyn Bliss.

A beautifully decorated cake was prepared for the occasion by Leonard Bury. Relatives from Reno who could not attend on the birthdate spent the following Sunday in belated celebration at the Simmonds home. They were his daughters, Mrs. Ethel Hancock and Mrs. Verna Gardner and the latter's family. Art Frodenberg, Mrs. Simmonds' son, also joined the family party. (ejv)

SIERRA SUN ADS PAY!

BISHOP REPORTS GOOD RESPONSE AT LAKE CHAPEL

TAHOE CITY— Bishop Noel Porter of Tahoe's outdoor Chapel of the Pines reports excellent attendance at both services now being held at 8 a.m. and 11 a.m. each Sunday. The latter service on July 5 was attended by around 300 persons,, who enjoyed the organ selections of Carl N. Tamblyn of St. Luke's Church, San Francisco, and the singing of Mrs. Carlson, Burlingame and Pineland resident. Gary Henry acted as the bishop's server.

Following the last services, the bishop officiated at the baptism of two-week-old William James Brehler, son of Mr. and Mrs. James Brehler. Godparents are Mr. and Mrs. Jack Starratt of Tahoe City and E. V. O'Rourke of Truckee. Following the rite a party was held at the Brehler home in Tahoe City.

Bishop Porter announces that he will conduct confirmation instructions at his home every Friday night henceforth at 8 o'clock. Anyone interested is welcome to join the class. Bishop and Mrs. Porter have as their guests their grandchildren, Cedric Porter and Beverley Louise Rauh, both of Sacramento. (es)

LANDS BIG ONE ON LIGHT RIG

TAHOE CITY— Charles Henrikson of Lake Forest recently experienced the thrill of a lifetime when he took time off and went fly-casting in the lake near the old wood wharf on the shore at Lake Forest. A jerk on his line registered he had caught something but he little dreamed his spinning outfit, equipped with an artificial lure only would hook a 9½ pounds, 31-inch German brown. The big fellow put up a terrific fight for half an hour but Henrikson managed to land the largest trout he has taken in 20 years of trying. (es)

VIKINGSHOLM TO BE STATE PARK

TAHOE CITY— Harvey West, Placerville lumberman, informed Bud Scott that on Monday this week the state of California was to take over his Emerald Bay estate, Vikingsholm, the former Lora Knight home, as a public park. A ranger was to arrive that day to begin converting the property for public use.

This beautiful spot, with nearby Eagle Falls, should make one of the mots popular public parks to be found anywhere. (es)

DON'T

Help keep our highways clean. Don't throw trash from your car. Place it in a paper bag and deposit in reoadside receptacles provided for that purpose.

TAHOE TOPICS

by ETHEL J. VERNON

The 4th of July in this locality was the busiest ever known here. Fishing boats and pleasure craft dotted the lake throughout the day and several visiting hydroplanes alighted and took off from near the Tahoe City piers during the morning.

Among the more ardent fishermen in this locality this season are Henry J. Kaiser and Edwin Stoll. Kiser enjoys taking the big trout from his boats and pier ends in the quiet waters off his lakeshore home "Fleur-du-Lac" while Stoll likes an occasional short excursion from his summer home on Dollar Hill into north end waters, where the fishing is said to be very good now.

One of the largest rainbow reported here since the opening of fishing season was caught during the past weekend by Fred Mayhew of Sunnyside. It weighed over six pounds and measured 26 inches. Another lucky fisher on the weekend was Mrs. Laura Stanley who is spending the summer at the Henry Aldrich home at Tahoma. Mrs. Stanley took two nice limits.

At Squaw Valley Sunday the annual mid-summer ski derby events were run off without incident. Chosen as able skier to forerun the ski course was nine-year-old Jimmie Huega, son of Mr. and Mrs. Pete Huega of Lake Forest. The races were run on the all-year snow pack on the flat above Squaw Peak.

Wayne Poulsen, Pan-American airlines pilot, left his Squaw Valley home Friday for a ten-day eastern flight. The new summer home he was building for sale on his valley property is nearly completed.

Two popular movie stars who attended last week's golf tournament at Lake Tahoe stayed through the week at a north end resort and on Saturday visited in Tahoe City and tried out the golf course there. They are Ann Blyth and Marilyn Maxwell. The beautiful young stars drew a great deal of attention and admiration from the crowds on the Tahoe City greens.

The Brooks Walkers, summer residents on the lake for 30 years, opened their home again this week on the shore just south of Tahoe Tavern. Both their sons are now in the service. Brooks Jr. is at present here with his parents, expecting to be called shortly for Korean duty. His brother, "Sandy," is stationed with the Air Force in England. He was recently given special leave there to attend the Coronation.

Mrs. Clinton Walker, with her daughter and son-in-law, Mr. and Mrs. Wellington Henderson, opened their Sunnyside home last week and entertained a weekend party there. They spend their winters in Piedmont.

Out on Sunnyside Beach at the summer lodge "Letts Stay"—the Edwin Letts Oliver estate—Mr. and Mrs. William Oliver and family are settling down for their long summer vacation period. Their daughter, "Midge," who is spending a few days there plans to be maried July 21 at St. Paul's Episcopal Church in Oakland to Peter Ziscke of that city.

The William Wallace Mein lakeshore estate at Tahoe Park is buzzing with activity again, as it has every summer for at least 25 years. While the W. W. Meins Sr. are touring Europe for the summer, their older daughter Mrs. Charles W. Fay, with her daughter and family, are occupying the old family home for a vacation period. Down in the lakeshore cottage, a friendly distance from them, the W. W. Meins Jr. are also settled for the summer with their three younger sons and baby daughter, Tina. Their older son, William Wallace III, has turned businessman this summer and is working through his vacation on a ranch near his Woodside home.

Mr. and Mrs. Charles de Bretteville of Woodside have rented the palatial Paul G. Pennoyer summer home at Rubicon Park for the next two months. Mrs. de Bretteville is the former Frances Mein. All the de Bretteville children are with their parents for the summer except their older daughter, Leslie, who is touring Europe with her grandparents.

At Tahoe Park the Patterson summer home has just been opened for the summer and both the W. D. Pattersons Sr. and Jr. from Sacramento are occupying the place.

Others who opened summer homes at the lake during the past weekend are the following:

A. H. Sturmer and family of Sacramento and Tahoe Pines; Mrs. Burton Swartz, with her two daughters and four grandchildren of Clarksburg and Sunnyside, Mrs. J. H. Balsdon of Berkeley and Tahoe Pines, Al Luhrs of Oakland and Emerald Bay Heights, Mr. and Mrs. J. Philip Murphy and family of Piedmont and Sunnyside, Mr. and Mrs. Lou Ehret and family of Sacramento and Carnelian Bay, Mr. and Mrs. H. Bogart and son Jack of San Francisco and Tahoe Park, George W. Johnston and family of San Francisco and Sunnyside, and Mr. and Mrs. Austin Morris of San Francisco, who have rented the John S. Edwards home at Sunnyside for July.

At the Stanley Dollar home, "Witchwood," the three families are planning to take turns by the month for their vacation periods this summer. The home will be occupied through July by Mr. and Mrs. Joseph Hickinbotham and family. Mrs. Hickinbotham is the former Diana Dollar. The month of August—and boat races—will likely be allotted to Stanley Dollar Jr. with family and friends and the quieter month of September will find the Dollars Sr. enjoying occasional weekends there.

Mrs. R. K. Davies, with her daughter Maryon, of San Francisco, entertained a large house party of bay region friends last week at the beautiful Davies summer home on the Rubicon Park beach.

Mrs. H. J. Kaiser and young son are enjoying the beautiful summer weather at the Kaiser lakeshore home these days. It is reported that Mrs. Kaiser is getting in a great deal of practice on the "Hornet" and may be expected to make considerable competition for other contenders in the Lake Tahoe Gold Cup races.

Visitors from Lancaster arriving this week at the Imon Mitchell home in Sunnyside are Mrs. Vonnie Lou Andre and daughters, Dale and Denise. Mrs. Mitchell said that she had not seen Mrs. Andre for several years, although she raised her and the visitor is like a daughter. Other guests of the Mitchells are Mr. and Mrs. Ernie Kortum from New York.

Mr. and Mrs. Jack Starratt of Tahoe City entertained as houseguests during the past week the following members of Mrs. Starratt's family: her parents, Mr. and Mrs. Richard Lee of Lincoln, her brother Lt. Com. Richard Lee Jr. and wife of Sacramento with their three children, Deborah, Richard III and Peter. On the way home from here the family stopped over at their summer cabin on the Yuba River near Rainbow Tavern.

Rusty Frodenberg spent the recent holiday weekend here at the home of his father, Arthur Frodenberg. Rusty, a licensed pilot, has recently been busy with his plane, crop dusting in the wheat country of eastern Montana.

Burt Scott is recovering this week from minor injuries received when he made a mis-step in boarding his boat from the landing pier at his Sunnyside home.

Mrs. Ernie Hoxcie of Santa Barbara, with her two children, last week joined her husband for the summer at their new home in Tavern Heights.

John Parham, former Tahoe resident, spent the holiday weekend at Tahoe Inn, after motoring up from his present home in Yuba City. Parham, who was employed here for several seasons as a painter, says he has changed his occupation and has now engaged as a gardener on the estate of J. Gunther near Yuba City.

Mrs. Grace Schick of Tahoe Inn observed her birthday Monday and had as her guests her son-in-law and daughter, Mr. and Mrs. Joe Brito of Auburn. The young couple drove Mrs. Schick to Reno while here, where they celebrated with a birthday party.

The greatest known depth of the Bering Sea is 13,422 feet.

POLLUTION GROUP ASKS SANITARIAN

The recently organized committee on water pollution authorized by this Nevada County supervisors has recommended the county hire a full time sanitarian to study and make recommendations for solution of the county's growing water problems, pollution and sewage disposal.

A. M. Benedict of Grass Valley was named chairman of the group and G. Otis Ogden, president of the county taxpayers association, was chosen secretary.

The committee requested the supervisors to approve a $6,000 a year payment for expenses of Dr. Vernon Padgett, county health officer, and for a certified sanitarian.

THE DANUBE

The Danube River, which has its source in the Black Forest of Germany, is approximately 1725 miles long.

TIDY ROADSIDE CAMPAIGN GAINS THROUGH STATE

SAN FRANCISCO— California's highway clean-up campaign moved into high gear this week with reports of progress on many fronts.

Can manufacturers reported they are seeking a way to imprint on their product a reminder to the purchaser to dispose of it, when empty, in a proper way.

Brewing industry representatives, supporting this move, said they intend to place the same message on bottle labels as well as on cans.

A moisture-proof trash bag which may be suspended from the car dash with self-contained adhesive tape reportedly will be placed on the market soon as an aid to assembling car litter for diposal in roadside containers instead of tossing it from the car.

Grocery stores, oil companies and other groups will feature in their advertising reminders to "Carry a paper trash bag in your car — help keep our highways clean."

One or two judges in the state have sentenced drunk drivers to cleaning up rubbish along highway roadsides, an experiment which campaign leaders are watching with interest.

The campaign is being coordinated by the California State Chamber of Commerce.

MISSISSIPPI SOURCE

Lake Itasca, Minnesota, is the source of the Mississippi River.

NEVADA GROUPS AGREE ON LOCAL RIVER PROGRAM

Representatives of 11 Nevada entities have signed a letter which has been forwarded to the board of engineers for rivers and harbors agreeing on a program of flood control and development of upstream water resources for the Truckee River, according to a press dispatch from Reno.

The letter approves joint authorization for flood control on the Truckee River as described in the interim report of the army engineers of January 10, 1953 and for the plan of the U. S. bureau of reclamation for the initial phase of the Washoe project.

The engineers' plan proposed improvement of the Truckee River channel near Lake Tahoe and additional channel construction between there and Pyramid Lake. The cost of the project, as outlined by the engineers for the initial work, would cost approximately $820,000 in federal funds.

This expenditure must first be approved by congress and an appropriation must be made. This action, it was pointed out, may take some time.

Nevada interests represented in the signatures included Washoe County commissioners, City of Reno, City of Sparks, Reno Chamber of Commerce, Sparks Chamber of Commerce, Truckee-Carson Irrigation District, Washoe County Water Conservation District, Carson River Water Users committee, Sierra Pacific Power Company and North Truckee Soil Conservation District.

REQUEST REZONE AT SUNNYSIDE

SUNNYSIDE— Harry Stubley, Lake Tahoe member of the Placer County planning commission, has announced public hearings Friday, July 24, and Friday, August 28, on a petition to reclassify certain property in the Sunnyside district of Lake Tahoe.

The petition for rezoning has been filed by Imon D. and Jeannette L. Mitchell and asks that a little over two lots in the Sunnyside Tract be reclassified from "residential to multiple." The hearings will be in the supervisors' room at the court house in Auburn, begining at 10 a.m. each time.

At the hearing, all persons in favor of or opposed to granting the petition may be heard, the announcement concluded.

PINE PRODUCTION STILL INCREASING

SAN FRANCISCO— Pine lumber production for the week ended June 13 was 76,397,000 board feet compared to 73,482,000 during the preceding week, the Western Pine Association reported this week on the basis of information from 112 mills. The report covers ponderosa, sugar and Idaho white pine and associated species.

Orders for the week totaled 76,212,000 feet and shipments were 77,970,000, according to the association report.

Good beer cannot be made without good water

IT IS WIDELY RECOGNIZED by scientists and Master Brewers that one of the most important factors in making good beer is the quality of the water used in the brewing. To create a truly exceptional beer, it is necessary to have a source of water that is neutral in taste, free of many of the properties found in ordinary drinking water, and constant in quality, year in and year out.

Such a water . . . perfect for brewing . . . flows crystal pure from Olympia's own artesian wells near Olympia, Washington. It is this water that has given Olympia Beer its leadership in character and quality since the last century. Try it yourself and enjoy Olympia's rare flavor and light, refreshing good taste.

Visitors always welcome between 9:30 and 4:30 every day.
Olympia Brewing Company
Olympia, Washington, U. S. A.

Dental Health is Major Problem for Tahoe-Truckee Children

During the latter part of the 1952-53 school year, a medical-dental survey was completed in the schools of the Tahoe-Truckee Unified School District through the cooperation of Doctors George Hahn and Jose Nessim, physicians, Doctors H. M. Holmes and Oliver Scow, dentists, and Mrs. Charlotte Patnoude, school nurse.

The purpose of the survey was to discover the health of school age children in the Tahoe - Truckee area. Students who did not attend the survey were absent, had had recent examinations or had other reasons for not being examined. With the exception of isolated difficates ETAOINETAOINETAOINET ficulties, the chart herewith indicates the major findings.

It should be noted that each heading is a general category and various degrees of severity are classed under one heading. Parents have been notified of recommendations concerning their children and in the majority of cases corrections are being made. However, school authorities strongly urge that all children see their dentist before school starts in the fall.

Children with heart murmums or enlarged tonsils should definitely be given medical attention, school officials said. The vision and hearing tests were given by the school nurse previous to the survey. These tests are gross screening tests and, as such, are not capable of detecting many other possible difficulties.

The survey reveals a tremendous dental health problem in the community and the major emphasis of the school health program next year will be on dental health education.

TAHOE LOCALE FOR NEW MOVIE

TAHOE VALLEY— Lake Tahoe country will be featured in the U.S. Forest Srevice's new documentary film. The picture, "Rainbow Valley," illustrates the work of a forest ranger in the administration of the various national forests.

Ranger Vaughn Hofeldt of the Lake Valley district has the principal role.

"Rainbow Valley" is to be completed in about three months and is being filmed in the general vicinity of Lake Tahoe.

KEZAR

Municipally owned Kezar Stadium in San Francisco accommodates 60,000 spectators.

SEEKS SURVEY OF TAHOE AREAS COUNTY OWNED

TAHOE CITY— A survey of all county-owned beaches at Lake Tahoe was proposed following a recent joint meeting of the Placer County board of supervisors and the county planning commission at Lake Tahoe.

The members of the official boards visited some of the county-owned beaches and considered improvements.

Due to the uncertainty of boundaries, the board is requesting Surveyor J. L. Shields to undertake a survey and set lines on county-owned property.

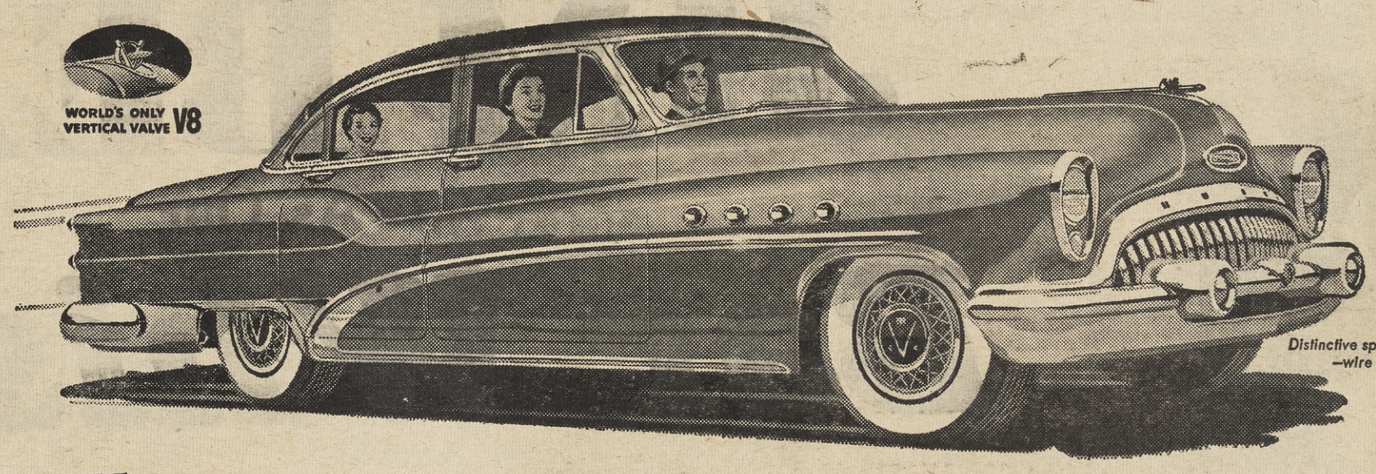
Ever try the lap of Luxury ?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.



Distinctive sports-car touch —wire wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit.

We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here — and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflow—and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery — making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWERSTEERING. A car with the velvety control of still finer braking—plus the added convenience of Power Brakes, if you wish.*

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? **Optional at extra cost.*

WEST MAIN ST. (Hwy. 40) TRUCKEE, CALIFORNIA

Donner Summit Public Utility District

RESOLUTION NO. 29 OF INTENTION TO EXCLUDE TERRITORY

RESOLVED, by the Board of Directors of the Donner Summit Public Utility District, that

WHEREAS, certain territory is within the boundaries of this District which is not benefited in any manner by the continued inclusion therein, which territory is more particularly hereinafter described;

NOW, THEREFORE, IT IS ORDERED, as follows:

1. That on Tuesday, the 28th day of July, 1953, at the hour of eight o'clock P. M., at Crest Lodge, Soda Springs, California, in said District, is hereby fixed as the time and place when and where all persons interested are required to appear and show cause before this Board why the lands more particularly described in Exhibit 'A' hereto attached and by reference made a part hereof should not be excluded from the District, said time being not less than twenty-five nor more than fifty days after the passage of this Resolution.

2. The Secretary is directed to give notice of said hearing by two successive publications in the Sierra Sun, Truckee, California, a newspaper of general circulation published in the County of Nevada, there being no newspaper of general circulation published within the District.

I hereby ceritfy that the foregoing resolution was adopted at a meeting of the Board of Directors of the Donner Summit Public Utility District duly held on June 9, 1953, by the following vote:

AYES, and in favor thereof, Directors Charles Vind, S. Charles Secco, Kirby Schull, John Johansen.

NOES. Directors: None.

ABSENT, Directors: None.

(SEAL) JOHN I. JOHANSEN
Secretary

EXHIBIT "A"
TERRITORIES TO BE EXCLUDED FROM THE DONNER SUMMIT PUBLIC UTILITY DISTRICT NEVADA AND PLACER COUNTIES, CALIFORNIA

The parcels of land hereafter described, situate in Nevada and Placer Counties, California, lying within the boundaries of the Donner Summit Public Utility District, are the lands to be excluded from said District:

WARREN SIGNS BILL FOR PARK AT TAHOE

SACRAMENTO —(CNS)— Governor Earl Warren has signed SB 1953 by State Senator Swift Berry, Placervile Republican, authorized the division of beaches and parks to acquire certain described land at Emerald Bay, Lake Tahoe, for the enlargement of D. L. Bliss state park and provides that expenditure need not be matched. Funds for acquisition are to come from a previous legislative appropriation of $15,000,000 for acquisition of beaches and parks.

TAHOE TROUT FARM STARTED

TAHOE CITY— Henrikson Brothers, Oliver and Charles, local contractors, have started work to clear a space 60x100x4 at the Tahoe City concrete bridge, in front of the Charles Beardsley real estate office. Soon the Beardsley trout farm will be in operation. It will be stocked with rainbow trout and customers may throw in their lines, assured of a catch at

The pond will be furnished with any time.

water by pumpage and the flow from the springs. The porch of the realty office will be furnished with seats so that spectators may watch the customers. (es)

ARE YOU A SUNSCRIBER?

TED GAMELS JOIN BUSINESS PEOPLE

TAHOE CITY— Another new enterprise has opened for business at the bridge at Tahoe City. It is the new Texaco stations which is operated by Ted Gamel, who erected his own buildings and plans year around operation.

The buildings are sturdily built and of pleasing architectural design and should withstand the heaviest winter snow.

Gamel will conduct the station while his wife will operate Lorraine's Coffee Shop nearby.

Mrs. Gamel has many years of restaurant experience, having operated eating establishments in Pasadena, Los Angeles and Los Altos. The aGmels have purchased the former Saunders residence in Pineland and plan to make Tahoe their permanent home. (es)

TAHOE PARKERS NAME OFFICERS

TAHOE PARK— The annual meeting of the Tahoe Park Association was held last Sunday on the shore at Tahoe Park pier. Lucien Trombly was elected new chairman of the association and directors include Leonard Winters, Mrs. Gladys Friday, Clarence Johnston and Mrs. Louise Thompson, secretary, at present traveling Europe.

Considerable discussion of local problems took place, with 40 residents of the Park present but the only business transacted was a vote to have redwood signs installed on all streets in Tahoe Park. (es)

LEVEL OF LAKE HITS 6229 MONDAY

TAHOE CITY— The level of Lake Tahoe had risen to 6229.0 feet Monday morning at 8 o'clock, with six of the outlet gates remaining open, according to the weekly report by A. E. Frodenberg. The weather for the week previous had been clear and warmer. Daily high and low temperature readings up to Monday were June 29th: 65, 35; 30th: 67, 41; July 1st: 66, 35; 2nd: 76, 39; 3rd: 75, 35; 4th: 78, 36; 5th: 79, 38; 6th: low 41.

SOLDIER HOME

Pvt. Ned Stuart of Ford Ord enjoyed a weekend recently with his parents, Mr. and Mrs. Jake Stuart of Lake Forest. (es))

KERN COMMUNITY

Havilah, Kern County, was established as a mining camp about 1863 by Asbury Harpending.

IN HOSPITAL

Pat Riley of Squaw Valley was a recent patient at Tahoe Forest Hospital at Truckee. A siege of pneumonia sent her in as patient early last week and she remained in bed until Sunday afternoon. Her condition is much improved. (es)

Swanee's Letter

Tahoe City, July 5

Dear Tahoeites—

Tonight another member was added to the Imon Mitchell family of Sunnyside for the summer. He is 10 months old Chris Foy, son of Mr. and Mrs. Dick Foy, the former bandmaster at Tahoe Tavern. Again occupying the large Sears' residence on the beach at Sunnyside for July are Mr. and Mrs. Albert Stevenson, their daughter, Mrs. Ethel Severson, and her son, Corky, of Long Beach. The latter, 6½ years old, goes into the third grade of public school in Long Beach next semester.

Mrs. Fern Schlueter of Sunnyside has had the cast removed from her leg for over a week now and on Monday throws away the crutches she has been using. She must continue treatments but she feels she is recuperating satisfactorily. Recent guests of Mrs. Schlueter were her uncle and aunt, Mr. and Mrs. Will Burkey of Broken Bow, Neb., and her cousin and wife, Mr. and Mrs. J. Burkey of Milford, Neb. While they were here, she drove her guests around the lake, picniced at Bliss Park and wound with dinner and a floorshore at a north lake resort. They left to visit Modesto, Los Angeles and Oregon before returning home.

Mrs. Charles Cross returned to her Tahoe City home last Friday following a four-day stay in an Oakland hospital for a checkup. A Tahoeite who has been seriously ill but is on the mend is Mrs. Robert Pomin of Tahoe City, who returned to her doctor last week to have the surgical stitches removed from her leg.

Met a former long-time resident of Tahoe who has returned to the lake to make his home. He is Jimmie Lydon, now employed at Ballard's Boat Company at Carnelian Bay. He left the lake some years ago for Auburn, where he had resided until returning here.

The Ben Callenders of Homewood receive frequent letters from their globe-trotting son, Bill, who is at present seeing Holland. Bill and his traveling companion, Bob Watson of Santa Rosa, have been to France, Spain, England, Belgium and The Netherlands, and plan to visit several other countries before returning home. They are traveling in Bill's Ford sedan which was shipped over by boat and arrived at the same time they did. They especially commended accommodations in Spain where they lived like kings on $3.75 a day, including three good meals a day and a marvelous view of the Mediterranean from the window of their room.

A note to friends here from the Ed Pembertons tells of his continued improvement following a recent stroke. He is now walking with the aid of a cane, can drive a car and has good use of his left side, affected by the stroke. His many friends here will be pleased to hear he is making such good progress.

Dr. and Mrs. Lloyd Heaney, son Joe and daughter Edith Ann of San Francisco are enjoying a stay at their home on Fairway Drive. Their son Jim is a private at Fort Ord; will remain another year in the service. Their daughter, Mary Therese, is now Mrs. Lawrence Rebholtz, residing in Baltimore where her husband is stationed with the army until January, after which they plan to establish their home in San Francisco.

Expected in soon for the summer season are Mr. and Mrs. Claude Lazard and family of San Francisco, who winter in France, and her parents, Mr. and Mrs. Sidney Ehrman of San Francisco, who made the trip to France in March to visit the Lazards. Pine Lodge, the Ehrman's spacious lakeshore summer home near Meeks Bay, has been readied for the season.

A good crowd witnessed the last ski meet of the season, the annual FWSA Squaw Valley summer ski derby, on the slopes of Squaw Peak July 5. The 28-gate slalom course had a drop of approximately 800 feet and snow was in good condition, considering the lateness of the seasan. Eighty-two men and eight women were entered. Winner in Class A was Norman McLeod of Sun Valley, who made the run in 46.5 seconds. Harley Slayton, Reno; Leif Sommerseth, University of California, tied for second; Jim Baker, Lake Tahoe Ski Club, was fourth. Babette Haueisen, El Cerrito, skiing for Sugar Bowl, won in women's Class A with Caroline Carpenter of Davis, for Squaw Valley, second and B. J. Rhodes of Oakland third. Olympic skier Sally Neidlinger set the tight, tricky course and foreran it in 54.4. The Lake Tahoe Ski Club's ace, Lewis Fellows of Carnelian Bay, won in Class B in 49.1. Art Wisson, San Francisco, topped Class C. Bill Briner of Tahoe City won in the open class, hard pressed by Gordon Butterfield of Tahoe. Karl Ringer of Reno won the senior class with Dr. Carl Watson of Reno second. John Mortizia was race chairman.

Leave you for the week with a cheery adios to all. As ever,

Swanee.

WARREN O.K.'S ANIMAL LAW

SACRAMENTO —(CNS)— Gov. Earl Warren has signed AB 2533 by Assemblyman Lloyd Lowrey, which provides the owner or tenant of premises may take predatory birds and mammals at any time and in any manner when the animals are destroying his crops and property.

IT'S WISE TO ADVERTISE!

FIRE DISTRICT AT TAHOE TO VOTE ON JULY 25TH

Three of the five directors of the Lake Tahoe Fire Protection District on the southeast shore—Douglas County, Nevada—will be named in an election Saturday, July 25, and open to all voters in the district.

Anyone interested in seeking election to the board must file a declaration of candidacy with H. R. Jepsen, secretary of the board, at the court house in Minden before 5 p.m. July 23.

Polls will be open at the district fire station at Zephyr Cove from 8 a.m. to 6 p.m. Directors to be elected will be from the precincts at Glenbrook, Cave Rock and Zephyr Cove, offices now held by Jepsen, F. E. Meder and Carl Johnson, respectively. The Glenbrook director will serve two years and the other two three years each.

Holdover directors are M. G. McMillan, Elkpoint, and D. W. Park, Stateline, chairman of the board.

The fire protection district, organized in 1946, maintains a station at Zephyr Cove with one paid employee who is assisted by members of a volunteer fire department. The district is supported by a tax rate of 60 cents on each $100 of the total assessed valuation of $1,600,000. The district works in cooperation with the U. S. Forest Service to afford fire protection in the area. At present, the district owns a Seagrave pumper and two small marine pumps and operates one of Douglas County's ambulances.

Part of the 60 cents tax rate is being used to repay a $20,000 bond issue voted for construction of the fire station.

SOVIET RIVER

The Irtish River in the USSR is approximately 2300 miles long.

Minute Ministry

by Rev. Sidney C. Winston
(Pastor, Community Methodist Church at Truckee)

* * *

The Lord Jesus looked down on what some called patriotism from Calvary's Cross and prayed, "Father, forgive them for they know not what they do." He had previously taken a coin and showing the inscription to the opposition said, "Render unto Caesar the things that are Caesar's and unto God the things that are God's." Ignoring the sacredness of marriage and the purity of virginity today, what God has "joined together" is prevalently "put asunder" and Caesar is often called upon to bear the lack of faith in God. Immorality is not true patriotism. Let us combine our efforts, motivated by the love of Jesus Christ, and follow his steps. Therein shall our purposes in life be fulfilled; therein is true patriotism.

My Place In the Sun

by DOUG BARRETT

Not news, just coincidence..... while mother Gladys Quam works at the telephone exchange, daughter Dorene works at the opposite end of the main stem.....with the Bank of America.....and mother Dorothy Morhain also works for the telephone company while son Jimmie keeps busy at a window in aforesaid bank.....it may not be so small a world but it sure is a small town.....Jo and Rex Thomas taking some of their "not so spare" time to do some exterior decorating at their jewelry store here.....even giving the bricks individual treatment.....Reggie Smart and Merrill Englehart pedalling their bikes over the Bridge Street railroad crossing.....Sgt. Frank Smith of the highway patrol wearing a relieved smile Monday morning.....because all during the 4th of July weekend there wasn't a personal injury or property damage traffic accident on the beat he is in charge of..... a lot of credit is due Frank and the other men on the patrol who were really on the go last weekend..... It has been written in the proverbs of the wise.....that he who throws mud is losing ground.....Kenny Foster and his wife, Ilene, were both born under the same sign of the zodiac.....on July 7 there was a family party for Kenny's natal date.....while Mrs. F. will observe hers July 13 (Monday).....Martin Sturcke spending his off-duty time screening loads of dirt to fill in the low spots in his front yard..... while sons Gary and John trundle the dirt around to fill in the various declivities with their little red wagon.....Ray and Helen McCarty of Soda Springs sharing a Stockton Record while they wait for their dinner.....at Brown's Cafe here last evening.....Nate McCrary, one of the SP's top of the board engineers here, is really a yardmaster.....and if you don't believe it, just take a look at the yard I see him taking care of every evening when I homeward wend my way.....

Truckee Water System Customers

The Truckee Public Utility District has bought the Truckee Water System (Tonini System) as of July 1, 1953. All bills, complaints, service requests, etc., should be taken up with the District. The rates, rules and regulations of the District will apply hereafter.

Several changes in the connections and supply lines of the system are contemplated which should result in improved water pressure in needed instances.

You are requested to call at the office of the District or phone 150 for any information effecting your service.

SAFETY TAPE FOR BICYCLES

Mrs. Gladys Pedley, chairman of the Wyethia Club's safety committee, this week urged all children who have bicycles to take them to the front of the Donner Theater Monday, July 13, at 10 a.m. where they can be glo-taped. The time and place for the process at Meadow Park and Gateway Park will be announced later, she said.

The glo-tape process gives increased protection to cyclists riding a night as car lights reflect brilliantly from the tape properly applied.

CUBS HOLD MEET AT LOCAL PARK

Cub Scout Den No. 2, under the direction of Alex Ayala, cubmaster, and Mrs. James Walker, den mother, attended a pack meeting on the evening of June 30 at the baseball park.

Baseball games preceded presentation of earned awards by the parents to the following members of the den: Michael Kumle, gold and silver arrow points; Barry Leamon, gold and silver arrow points; Jimmy Osburn, gold arrow point; David Ayala, gold arrow point; Terry Walker, gold and two silver arrow points; Martin Johnson, gold and silver arrow points; Donald Brakefield, a gold and four silver arrow points. Quenton Kay and J. C. Roberson were absent and will receive their awards at a later date.

Community singing and salute to the flag completed the ceremony. Meetings of the group have been postponed the past two weeks and when they are to be resumed the families will be notified.

Birthdate—

Rolland Gautsche celebrated his birthdate on July 6.

57 ENROLLED IN SUMMER CLASSES FOR MUSIC HERE

Fifty-seven students — children and adults — are enrolled in the first summer music program for the Tahoe-Truckee Unified School District. The first meeting of the music program was held Monday, June 15.

The program includes beginning instruments, band on Tuesdays, Wednesdays and Thursdays from 1 to 4 p.m. at the high school. Chorus and band on Mondays and Wednesdays from 7 to 9 p.m. at the high school.

Those registered in the music classes are as follows:

Beginning instruments from Kings Beach: Gwen Mizner, Jerry Tompkins, Marcia Graton, Richard Griffith, Dorothy Lou Mercer, Dennis Thompkins, Timmy Mizner, Patrick Callery, Dennis Callery; from Tahoe City: Kenny Vaughan, Judy Vaughan, Chris Poulsen, Richard Brown, Kristine Soltau; from Truckee: Gavin Roberson, Marilyn Brown, Judy O'Neill, Linda Loynd, Billy Notley, Allan Young, Easton Buehler, Harold Brown, Frank Patton, Ronnie Germain, Sammy Medford, Gene Germain, Merrill Englehart.

Those registered in the band classes are, from Kings Beach: Barry Graton, Simon Domingues; from Tahoe City: Doug Wilson, Ronnie Sanford, Bob Sanford, Buddie Ross, Myron Soltau; from Truckee: Judy O'Neill, Gene Germain, Bill McClain, Easton Buehler, Bob Tonini, Mary Ann Tonini, Charles Smith.

Those registered in the chorus are, from Kings Beach: Ellamae Mercer; from Tahoe City: Carol Wilson, Bob Sanford, Jerry Tompkins; from Truckee: Alberta Cooper, Charles Eberhart, Janice Buehler, Margie Osburn, Tom Grow, Nelda Stone, Gertrude Stone, Lola Toccalini, Bruce Grow, Mrs. Bruce Grow, Mr. Grow.

CAA Man at Reno—

Claude Herrold of the CAA has recently been transferred to Reno headquarters as electronics district supervisor. Herrold is well known in this district, having been stationed on Donner Summit several years ago.

At Porter's—

Capt. and Mrs. Fred Randolph of Berkeley were overnight guests Tuesday with William Porter, enroute home from a tour of the eastern United States.

Titus Family Leaves—

Jack Titus and three children returned to San Anselmo Monday after a two weeks visit with his parents, Mr. and Mrs. Frank A. Titus.

Family Visits—

Mr. and Mrs. Robert Saunders have as their house guests Mr. and Mrs. Edward Saunders and children from the bay area.

Bowers Here—

Mr. and Mrs. Clarence Bowers and Kristina Bowers stopped briefly in Truckee Monday en route to Sacramento after visiting Mr. and Mrs. Robert Bowers in Reno.

ARKANSAS RIVER

The Arkansas River, which rises in Colorado and flows into the Mississippi River, is approximately 1450 miles long.

LIVING COLUMNS

Large redwood logs, used as columns for a bank building in Scotia, sprouted their full length during their first season in place.

TO CATCH A WHALE

By international agreement the whaling season officially opens on April 1.

NOTICE OF INTENTION TO TRANSFER LIQUOR LICENSE

Notice is hereby given pursuant to the requirements of the State Board of Equalization that William F. Bechdolt and Bernadette Bechdolt of Tahoe City, Placer County, California intend to transfer the On-Sale General License No. P-8769H issued to them at Lake Street, Tahoe Inn, Tahoe City, Placer County, California to William F. Bechdolt and Bernadette Bechdolt and Carl A. Bechdolt of Tahoe City, Placer County, California, the license to be issued to them at Lake Street, Tahoe Inn, Tahoe City, Placer County, California. No consideration attachs to this transfer.

WILLIAM F. BECHDOLT
Transferor.
Dated June 23, 1953.

One Year on 4th—

Marlene, daughter of Mr. and Mrs. Harvey Hocker, was one year old July 4, the event being celebrated at a family party.

On Vacation—

Janice and Easton Buehler are spending the week with their uncle and aunt, Easton and Rosalie Reed, at Morro Bay. They were accompanied down by their parents, Mr. and Mrs. Elwood Beuhler, for the weekend.

Tahoma Visitor—

Mrs. A. G. Steltzner of Piedmont and Tahoma was a local visitor on Monday.

Brothers Visit—

Mr. and Mrs. Omar Alexander were hosts last week to Mr. and Mrs. Howard Alexander and son, Ted, of Billings, Montana.

Visit Brother—

Mr. and Mrs. James Walker have as their guests Mrs. Leah Elliott of Dallas and Miss Aline Walker of Van Alstyne, Texas. Walker is a brother of the visitors.

Paces Move—

Mr. and Mrs. George Pace, formerly Truckee and Sunnyvale residents have moved to Santa Clara.

Mother Here—

Mrs. Constance Morey was a recent guest of her son and daughter-in-law, Mr. and Mrs. Daven Morey.

A Cake at Club—

The Eightsome bridge club met on Wednesday and at dessert time a cake, made by Mrs. Harold Langille, was presented to Mrs. Tony Ghirard in honor of her birthdate.

Tarzan

by EDGAR RICE BURROUGHS

WHEN SADAR FAILED TO CONVINCE TARZAN AND THE WATAMBA NATIVES TO PLEDGE THEIR ALLEGIANCE, CIRCO DISCLOSED A PLAN. "WE CAN SOLVE ALL, LORD, BY SHOWING THE PRISONERS A VISION!"

COLD-EYED AND DRAMATIC, CIRCO BEGAN HIS CONJURING. "O SPIRITS OF THE ETERNAL BLUE SKY," HE CANTED. "SHOW THE UNBELIEVERS A SIGN OF SADAR'S GREATNESS!"

THE NATIVES WATCHED IN HORROR AS SOME EERIE THING WAS FORMING IN THE FIRE!

SOON THE THING MANIFESTED ITSELF--A POWERFUL, GLITTERING LION; AND COILED ABOUT ITS BODY WAS A SCARLET SNAKE!

THEN SLOWLY, THE VISION FADED. "STRONG AND FIERCE AS A LION IS THE KHAN," SHRIEKED CIRCO, "WISE AND ALL-EMBRACING AS THE SERPENT! WHO SHALL DEFY HIM?"

NOW TARZAN SPRANG UP, REALIZING HE HAD ONLY BEEN DUPED BY HYPNOTISM. "I DEFY HIM!" HE THUNDERED. "AND YOU, ALSO, AS A FRAUD!"

SADAR TREMBLED WITH RAGE. "DEATH TO THAT SWINE! TOMORROW THE WILD DOGS WILL FEED OFF HIS STUBBORN CARCASS!"

by RAEBURN VAN BUREN

ALL RIGHT, GIRLS...TIME TO CHANGE.

WE REALLY MUST HURRY, OR WE'LL BE LATE.

SEEMS I'M JUST GETTING SETTLED WHEN WE HAVE TO (SIGH) CHANGE AGAIN!

OF COURSE, I WOULDN'T GIVE UP ONE MINUTE OF IT FOR ALL THE TEA IN CHINA.

I HOPE THE PARTY TONIGHT IS AS EXCITING AS THE **LAST** ONE!

YOU CAN BET ON THAT!

IT'S A GIRLS' CLUB THAT'S LIVING IN THERE...A LOVELIER, QUIETER GROUP YOU'VE **NEVER** SEEN!!

I HEAR TELL THEY'RE A BUNCH O' SOCIETY DEBUTANTES!

READY, GIRLS?

READY!

READY!

EVERYBODY READY? AUTOMATICS LOADED? GOOD! NOW, LET'S GET ROLLING!!
